

St Patrick's RC Primary and Nursery School
Theme Based Home Learning

Year Group:

Health and Well-Being	Expressive Arts	Humanities
Watch your favourite film and write a recount review for other primary school children. Remember to include a summary but no spoilers!	Use a pencil to sketch a view from your house. Use light pencil strokes to build up your pictures – there are helpful landscape sketch tutorials online that could help you.	Research a famous historical event in the 20 th century. Focus on finding information relating to the 5 Ws (who, what, where, when, why).
Language, Literacy and Communication	Maths and Numeracy	Science and Technology
Write a story about a child going on an adventure in the jungle! They can take two things from home and a famous person to help them.	Practise/learn your times tables and division facts. You need to look at your 2, 3, 4, 5 and 10. You can learn them as written calculations or orally as a sequence. Create a game to help you and your friends to consolidate your times tables.	Follow a recipe or set of instructions to cook/bake/make something with a grownup – we would love to see pictures of your produce!
Religious Education:	Useful Websites:	
Create a fact file about Saint Patrick, you could include illustrations if you wish. Your fact file will be for Foundation Phase so think about the word choices you make so they can understand it.	https://www.topmarks.co.uk/maths-games/hit-the-button https://www.topmarks.co.uk/number-facts/number-fact-families https://www.topmarks.co.uk/place-value/place-value-charts https://hwb.gov.wales/curriculum-for-wales/reading-and-numeracy-assessments/national-reading-and-numeracy-tests http://www.tts-group.co.uk/on/demandware.static/-/Library-Sites-TTSSharedLibrary/default/vaea75f5663a038b8658d258fd198e57ce70b35d6/images/homepage/My_Activity_Book_Yrs_7_11.pdf?version=1.584.037.589.000	

Other homework children are expected to be working on:

Reading

Spellings (including revision of previous spellings)

Math targets – recall times tables/appropriate number facts (including revision/consolidation of previous targets)

Mathletics

Giglets – reading and comprehension tasks

HAVE FUN LEARNING!
