

Reading Survey

Year 5 were set a challenge to see how many books they could read in one term. Here are their results in a pictogram.

Questions

- 1) How many children read 9 - 10 books in the term?
- 2) How many children read 5 - 6 books in the term?
- 3) How many children read less than 5 books?
- 4) How many children read more than 8 books?
- 5) How many children read between 4 and 10 books?
- 6) Which number of books was the least common?
- 7) Which number of books is the mode?
- 8) Which number of books was read by less than 7 children?

Questions

- 9) How many children took part in the survey?
- 10) Draw the frequency table that goes with this pictogram.

Number of books	Frequency
11-12	1
9-10

A polite reminder about copyright

Many thanks for visiting [SparkleBox](#). As you can imagine, we spend a huge amount of time designing artwork and creating resources to add to the site each day. We trust that you have found some useful items to download!

In order to protect our livelihoods, the products on the site are subject to Copyright Conditions. We would kindly ask that you respect these as it will mean that we can continue making resources for you in the future.

The full copyright stipulations are available at <http://www.sparklebox.co.uk/copydon.html>, but there is a brief summary below. These conditions apply to this resource and all purchased resources from SparkleBox.

What you **can** do with this resource:

You may reproduce it for your own PERSONAL or CLASSROOM use ONLY

This means you can print it as often as you want, make photocopies, back up on disc etc, PROVIDED it is for your own use!

What you **must NOT** do with this resource:

It must NOT be reproduced for others IN ANY FORM or BY ANY MEANS

This includes electronic or mechanical, including photocopying, recording, or by any information storage or retrieval system.

Do not distribute to your friends!

Not only is it against the law, but it will ultimately prevent us from continuing to produce predominantly free resources for teachers.

Thank you for respecting these terms - we appreciate it!

Kind regards,

The SparkleBox Team
